### DETAILED PARENT INVITE TEMPLATE –

#### Join the Big Bash Schools Challenge – Where Fun Meets Learning!

Hi Parents,

We're just about to start the Big Bash Schools Challenge in the classroom over the next four weeks. It's a program that uses basic cricket skills of throwing and catching to support your child's fundamental motor skills, all within 10-minute 'brain break' activities between our usual lessons.

This program also has an at-home component which encourages you and your child to keep practising these skills in a fun, gamified way. The kids can choose a Big Bash mascot as their avatar which powers up by earning points for completing short activities you could do in the lounge room or the backyard. It's amazing how even 5-10 mins of additional activities at home a couple of times a week can fast track their skill development. There's also a cool, personalised certificate you can download at the end of the program.

Think of it as the Reading Eggs or Mathletics for physical literacy. All you need is a small ball, or even a rolled up pair of socks will work, and your mobile phone or tablet.

By signing up and completing the at-home activities, you also earn points for the school which will help us unlock additional benefits like free equipment and maybe even a visit from one of the stars of the Big Bash!

To get started, click on the link to sign-up **- ADD CLASS LINK(S) HERE**.

Thanks,
