2026/27 Funding Guidelines

FUND OVERVIEW

Cricket Australia, in partnership with State and Territory Cricket Associations, is committed to developing high quality facilities that provide a welcoming environment for all players, officials, volunteers and fans.

Following the development of the National Community Cricket Infrastructure Strategy (NCCIS), Australian Cricket will utilise the ACIF as the funding program to facilitate the successful delivery of NCCIS objectives and targets. The NCCIS provides a clear framework to guide the planning and development of ACIF projects in strategically important priority areas across Australia.

The ACIF will contribute approximately \$5 million in 2026/27 into into community facility projects, representing Cricket's continued commitment to infrastructure funding.

The ACIF is open to all clubs, associations, schools, councils and cricket facility managers, acknowledging the important role that these partners play in providing facilities for community cricket across Australia.
